

ASSEMBLY AND INSTALLATION INSTRUCTIONS

W0345

WARNING: TO AVOID RISK OF ELECTRICAL SHOCK, BE SURE TO SHUT OFF POWER WHILE INSTALLING OR SERVICING THIS FIXTURE.

NOTES: 1. Before installing, consult local electrical codes for wiring and grounding requirements.
2. Read and save these instructions.

Installation Steps

Turn off the power at fuse or circuit box.

1. Attach mounting bracket to the outlet box using two mounting screws (A).
2. Pull out the source wires from the outlet box. Make wire connections using wire connectors (F) as follows:
 - Connect the hot wire (black insulation) from the power source to the black wire from the fixture.
 - Connect the neutral wire (white insulation) from the power source to the white wire from the fixture.
 - Attach the fixture ground wire (bare wire) to the mounting plate with the green ground screw, or connect to the source ground wire if available.Carefully put the wires back into the outlet box.
3. Attach the fixture to the mounting bracket, then secure it with two set screws .
4. Install bulb (not included). Check relamping label at socket area or packaging for maximum wattage allowed.

Turn on the power at fuse or circuit box.

The following parts are available for reorder if damaged or missing.

Spare Parts List:

Assembly Kit
6165MM (1 SET)

Mounting Screw (A) Wire Connector (B)

The diagram shows two screws labeled 'Mounting Screw (A)' and three wire connectors labeled 'Wire Connector (B)'. An arrow points from these parts to the text 'Assembly Kit 6165MM (1 SET)'.

A: 11-3/4"

B: 4-3/4"

C: 4-3/4"

1 Year Warranty

Vaxcel warrants all of our products against defects in workmanship and finishes for one year following the date of shipment.

Exclusions: This warranty does not include the failure of products from extreme acts of nature; environmental conditions not suited for the products intended use; operation in temperatures outside of the range specified in the instruction manual; usage with improper power supply, power surges or dips. For coastal locations, some corrosion is considered normal for the environment.

Vaxcel reserves the right to repair, replace or issue a credit for any properly installed product, provided it is returned per RMA instruction. This warranty is limited to the cost of the product only and does not extend to transportation, installation or replacement costs.
